Riding with pets: In accordance with local and federal laws in your area, service animals are permitted to accompany riders at all times. If you're planning to ride with a non-service pet, it's good practice to contact the driver who accepts your ride request. Use your app to send a text message or call to let the driver know you'd like to bring a pet. Please help drivers keep vehicles clean for all riders by bringing a crate or blanket to reduce the risk of damage or mess. Some drivers may keep a blanket in the trunk.

### **Request when you're ready to walk outside.**

Once you've gathered your baggage, choose a ride option that suits your group size, pricing and luggage storage needs.

### **Exit on the arrivals level.**

From baggage claim, head outside to the passenger pickup area. This is where all Uber driver-partners meet travelers for pickup.

### **Confirm your driver.**

Always check that your driver's license plate matches what you see in the app. If you can't find your driver, contact him or her through the app.
