**AMATEUR-OWNER-HANDLER CLASS** - CHAPTER 3: SECTION 7. The Amateur-Owner-Handler class shall be for dogs that are at least six months of age that are not champions. Dogs must be handled in the class by the registered owner of the dog. This class is restricted to exhibitors who have not, at any point in time, been a professional dog handler, AKC approved conformation judge, or employed as an assistant to a professional handler. Additionally, members of the immediate family or household of a current professional handler are ineligible for this class (as defined in Chapter 11, Section 13).

Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay

**BRED BY EXHIBITOR CLASS** - CHAPTER 3: SECTION 8 The Bred by Exhibitor Class shall be for dogs that are Six months of age or older as of the first day of the show; Not Champions on the date of closing of entries for the show; individually registered with The American Kennel Club as of the date of the show; Owned or co-owned by any of the breeders of record as of the date of the show. The person handling the dog in this class must be a breeder of record and an owner of record of this dog. In any subsequent classes for which a dog from the Bred by Exhibitor class becomes eligible, there are no restrictions as to who may handle.

**NON-REGULAR CLASSES INVOLVING MULTIPLE DOG ENTRIES - OFFERED AT THE NATIONAL ONLY**

Note: Non-regular classes involving multiple entries may be judged before or after Best of Breed. As the judge's decision in these classes will be based on the merits of more than one dog no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed or Best of Opposite Sex to Best of Breed by virtue of having won the class.

**Stud Dog Class and Brood Bitch Class;** Each entry is allowed at least two but no more than five of their get. The merits of the Stud Dog or Brood Bitch are not considered in the placement of the entry. It is the quality of the get that forms the basis for the judge's decision. All get must be examined and gaited. The Stud Dog or Brood Bitch must also be examined to determine if there is a condition that would require disqualification or excusal under the Rules, AKC policy or the breed standard. All get must be entered in a regular class to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or Brood Bitch, and all get being exhibited must wear armbands. Ch. 11, Sec 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

**Brace Class:** Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class only." An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class."
