Any wait listed entry that does not move off the wait list into the trial by May 20th, will receive a full refund. [We will shred your check.]

**DOGS ELIGIBLE TO ENTER**

This trial is open to any dog fifteen (15) months of age or older that are registered with the AKC or that have AKC Limited Registration, Indefinite Listing Privileges (ILP) or an AKC Canine Partners listing number. Wherever the word "dog" is used it includes both sexes.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Puppies under four months of age are strictly prohibited from the trial grounds.

**HEIGHT DIVISIONS**

<b>REGULAR</b>	<b>PREFERRED</b>	<b>HEIGHT AT WITHERS</b>
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
24C"	n/a	Dogs measuring 8 thru 20" height may be entered at this height at their owner's discretion

**MEASURING and HEIGHT CARD INFORMATION**

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

**Simplified Jump Height Card Process**

When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether the dog has a valid jump height card or if the dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include the dog entered on the *Dogs To Be Measured List*. It is no longer required that a copy of a dog's jump height card be submitted with an entry form or show it at check-in; although exhibitors are required to have the official form/card with them at the trial to present upon request.

## RIBBONS, AWARDS, AND PRIZES

Rosettes will be awarded in each jump height division in each class as follows for 1<sup>st</sup>-4<sup>th</sup> place:

<i>First Place</i> .....	<i>Blue</i>

## NOTICE TO EXHIBITORS

### SAFETY, BEHAVIOR and LIABILITY

The **safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

**It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the event committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Papillion Club of America, The Roberts Centre and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Papillion Club of America reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Papillion Club of America or any official thereof.

Exhibitors are responsible for complete, accurate, and legible information on their entry forms; illegible or incomplete entries cannot be entered into the show. All entries must be made on Official AKC Entry Forms or copies and **must include the Agreement and Rules**.

**Dogs may arrive** any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

**Judges are not required** to wait for dogs. The owner/handler of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

Handlers may opt to run dogs measuring 22 inches and lower entered in regular classes in a higher height division, but not in a division lower than their proper height division. Preferred dogs must run in their measured height division. Only dogs measuring into the 24 inch class may enter the 24 inch class. All others wishing to jump 24 inches must enter 24C.

Pinch collars, electric and dummy electric collars are prohibited on the trial grounds.

Exhibitors may wear shirts or insignia of their training group if they wish.

All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area.

AVMA Statement: Exhibitors should follow their veterinarians' recommendation to ensure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

No bitches in season permitted in the building.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

## REFUNDS

**No entry fee** will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Event Committee. Refunds will not be issued for less than \$10 and will be considered a donation to the club.

**Bitches in Season** are not permitted to compete in agility trials. Any exhibitor with a bitch entered which is in season on the trial date will be refunded their entry fee upon written certification from a veterinarian. Notification with documentation from veterinarian must be in the hands of the Trial Secretary no later than 30 minutes before the start time of the trial on Saturday, May 25, 2024.

**Injured Dogs** – Dogs that cannot compete prior to the set of trials due to an injury/illness will be refunded the entry fee, less \$5.00 per run, upon written certification from a veterinarian. Notification with documentation from veterinarian must be in the hands of the Trial Secretary no later than 30 minutes before the start time of the trial on Saturday, May 25, 2024. Validation of the injury/illness must be made by a licensed veterinarian. Requests from chiropractors, massage/physical therapists, etc. will not be accepted. Handler illness/injury is excluded from this policy.

## ADDITIONAL SITE INFORMATION

Indoor crating space will be available. Crates may be left overnight; however the Papillion Club of America, Roberts Centre and its agents, employees, etc will not be responsible for any lost or damaged items left at the show site.. A committee member will have the right to consolidate crating as needed.

### **PLEASE DO NOT PARK REACTIVE DOGS NEAR THE ENTRANCES !!**

Dogs are not allowed to relieve themselves on any building or landscaping.

Anyone not cleaning up after their dogs will be removed from trial with no refunds.

### **Dispose of all pet waste OUTSIDE in the containers provided.**

- Exhibitors and Guests accept personal liability with respect to any claim made in respect to any damage or injury caused by their dogs or dogs in their possession.
- If it is necessary to rescue a dog from a parked car on the show grounds, the club will not be responsible or liable for any damage to the car involved.

- **No grooming allowed in the agility crating area.**
- No dogs can be left overnight in the agility area of the building.

### **NOTE: There is no Friday setup.**

## ENTERING A MIXTURE OF REGULAR AND PREFERRED CLASSES WITHIN THE SAME TRIAL WEEKEND – MULTIPLE JUMP HEIGHTS WITHIN THE SAME WEEKEND

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

## **FIX AND GO ON (FNG)**

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

## **ENTERING FOR EXHIBITION ONLY (FEO)**

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

## **FOOD /CONCESSIONS**

There will be food onsite to purchase. There are some fast food options nearby.

## **COURSE WALK-THROUGHS AND WARM-UP INFORMATION**

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only.

A warm-up area, consisting of one regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

## INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? \_\_\_\_\_
