

RV Parking for 2025 National at the Mirabeau Park Hotel, Spokane, WA

- There is limited amount of 20 AMP hookups and the following rules apply per the hotel. All reservations are through the hotel. They can be reached at 509-924-9000
- RV Parking with electric is \$50 per night plus tax. Parking on gravel lot with no electric is \$35.00 per night plus tax.
 - Parking lot diagram attached for the #1-9 each have 20amps and you can park them north/south or east/west depending on how many RVs you actually have. (The photo is for reference only. Exact locations can change based on how many RVs reserve.) Those that want to bring an RV MUST call the hotel to reserve and pay, they then should call whoever is handling your parking layout and directing RVs into the spaces you would like them (This will be Amy Reagan, Show Chair).
 - One Electrical hook up per RV, 2 hook up is double the price, it will be your groups' responsibility on how (which way) and where the RVs park. Water is NOT included.
 - They will have 2 warm water dog washing stations outdoors but they respectively ask that these are used for the dog washing stations. (Club will provide tubs)
- a) Will they be required to also have hotel reservations alongside their RV reservations? Yes, however if they only want a place to park their RV, they can park in the back gravel lot for \$35.00 plus tax and not have to rent a hotel room and they can use the hotel services, paid laundry room that also has shower.
- b) Will they have access to hotel shower? Yes, in their hotel room and there is a shower in our coin laundry room.
